

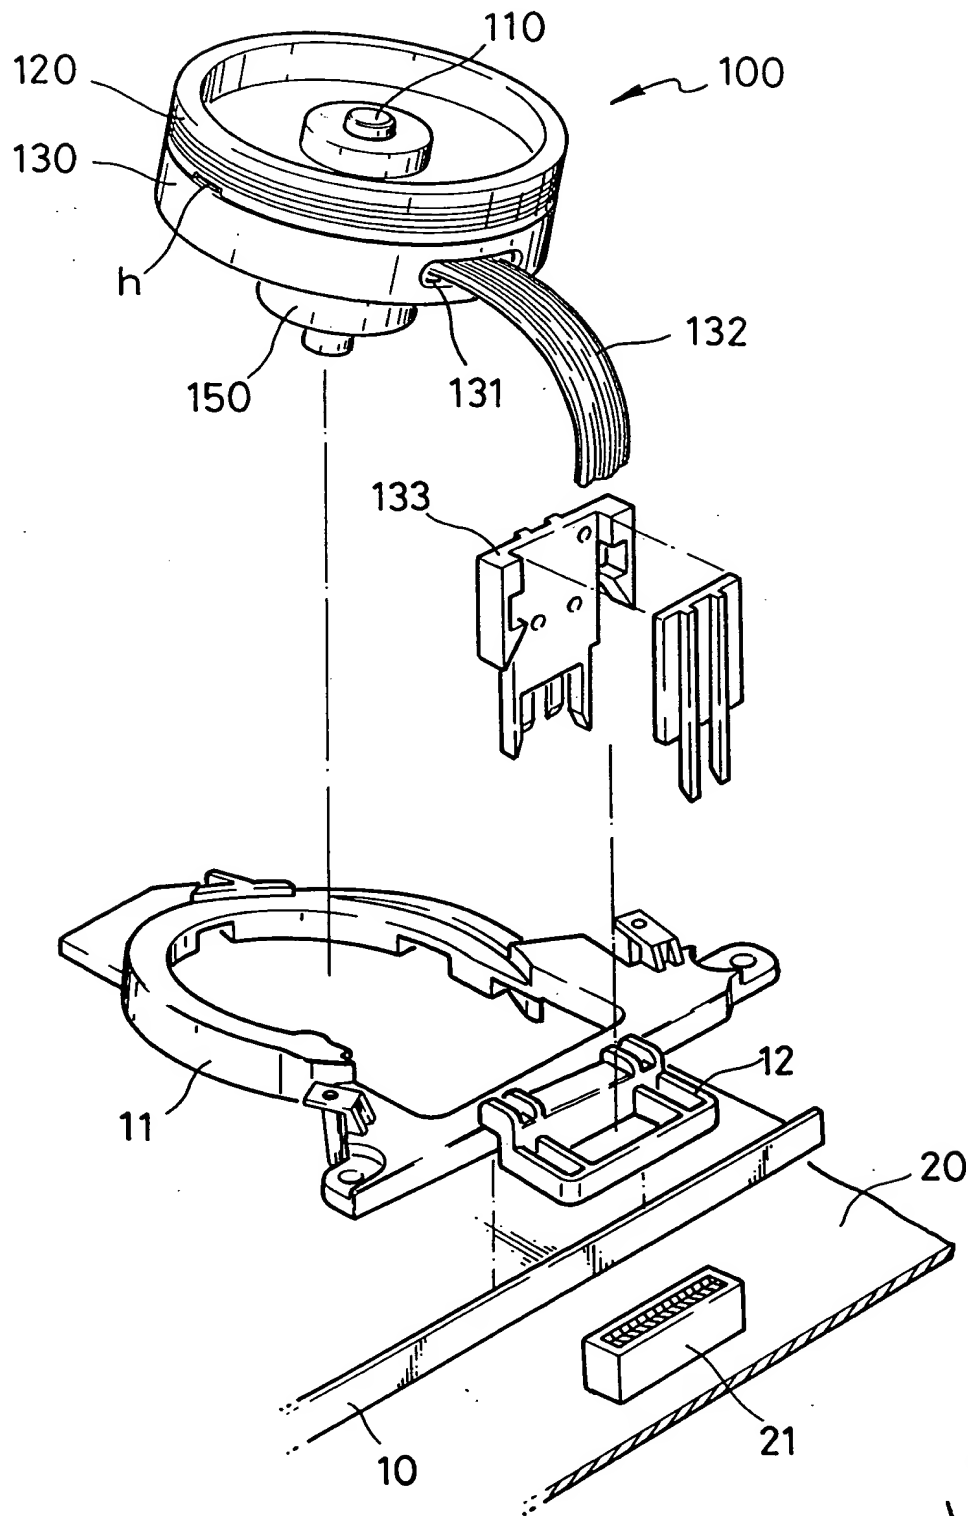

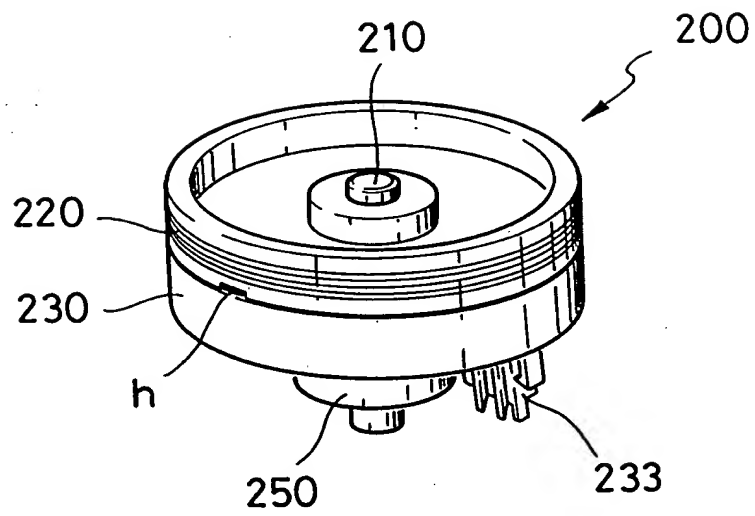

FIG. 1 (PRIOR ART)

09176940-102298

A detailed cross-sectional view of a mechanical assembly 100. The assembly features a central vertical shaft 110. To the left, a component 150 is secured with a bolt 151 and a nut 140. A bracket 141 is attached to the bottom of component 150. To the right, a component 120 is shown with a bolt 130 passing through it. A sub-component 131 is visible within 120, with a feature 130a. A cable or tube 132 connects component 120 to a base 20. The base 20 has a vertical post 21 and a bolt 12. A dimension line 'h' indicates a height or distance on the left side. The assembly is mounted on a base 10.
